

GFWC OF NORTH CAROLINA

The Legacy Fund

Focus on Federation...Building our LEGACY

Since its establishment in 1902, the members of the General Federation of Women's Clubs of North Carolina (GFWC-NC) have enjoyed building a 100+ year tradition of providing charitable support for numerous causes. There is no question that the various projects and contributions made by GFWC-NC members have had significant positive impacts in communities state-wide. Much of this work has involved raising funds in support of worthy causes and for the organizations that support these causes.

The time has arrived for our organization to "Focus on Federation" by making a significant investment in GFWC-NC in order to build, strengthen, and preserve our proud legacy. As with other thriving organizations, GFWC-NC must remain true to its values and traditions, yet be prepared to make adjustments and changes that will secure its long-term future.

How may I contribute?

Clubs and Districts can plan fundraising activities over the next two years in support of this project.

Individuals are also encouraged to lend monetary support in order to reach this goal.
