Member-at-large status is for persons desiring to maintain membership in GFWC-NC after their club has disbanded or relinquishes membership in the Federation and where no federated club exists. Women who are former members of GFWC are encouraged to become GFWC-NC members-at-large. Applicants must have been a member in good standing in a GFWC club in another state or in North Carolina.

Bylaws, Article III - Membership

Section 4. GFWC-NC member-at-large status is for persons interested in maintaining membership in the GFWC-NC after their club has disbanded or relinquished membership in the Federation and where no federated club exists. This will also include members moving into the state and having no club readily available for their participation.

The single purpose of the member-at-large status is to promote continuous GFWC-NC membership. The member may not conduct her activities in the Federation so as to imply that the membership constitutes a club. She may attend district and state meetings. She may not vote, may not hold elected office, and may not accept a presidential appointment. Members elected or appointed to office prior to the need for member-at-large status may complete the term of office.

The member-at-large status is not intended for a prolonged period of time rather to promote the organization of new clubs and/or to increase the membership of an already organized club. A member-at-large is encouraged to organize a new club.

Member-at-large dues are \$10.00 plus payment of state and national dues and includes the North Carolina *Clubwoman* magazine. If the member-at-large is an honorary life member then there is no charge.

Dues are to be sent to GFWC-NC Headquarters by December 31 of each year. Checks are to be made payable and mailed to:
